

EXPOSING THE SPIRIT OF DIVINATION

VOLUME 2

In this book, we are going to learn how disobedience, jealousy and competition give birth to contrary doctrine and thus the Balaamic spirit misleads the people of God. We received confessions from some who were regarded as sons, but reflected a contrary spirit than that of our father [Prof. Lesego Daniel]. If you have children, let them grasp the Word of God. Let it be bound around their neck and engraved in their heart.

May you be saved as you read and meditate upon this.

During the Sunday live service dated 15 August 2021, a confession was read regarding bad connection. The confessant developed offence as well as the undermining spirit towards the servants at Rabboni Centre Ministries and some of the sons of our father, Prof. Lesego Daniel [who lead ministries].

This was caused by a former son of Prof. Lesego Daniel who displayed and promoted competition in his ministry and spoke ill [to his sons] about the disciples of Rabboni Centre Ministries and other sons of Prof. Lesego Daniel. He saw himself as the “only and true” son of our father [Prof. Lesego Daniel] and would even tell his congregation that Prof. Lesego Daniel is his father and not theirs because he knew him [Papa] before they did.

The confessant [further] mentioned that she was delivered by our father [Prof. Lesego Daniel] when she attended a service at Rabboni Centre Ministries in 2018 after our father uttered a prophecy of people who were operating in wrong offices. She [confessant] was called a Prophetess whereas she is an Evangelist. She was [again] delivered on the 20th February 2020 [when she attended the service prior to the lockdown], our father [Prof. Lesego Daniel] gave a prophecy saying: “There are people who see wrong characters [even] in pastors and those who are trusted. These people condemn themselves thinking they are being judgemental of others”.

They manifested and were prayed for by our father [Prof. Lesego Daniel].

DO NOT UNDERMINE THE SPIRIT IN YOU

“There are people who see wrong characters [even] in pastors and those who are trusted. They condemn themselves thinking they are being judgemental of others”.

In the old, the Spirit would come upon a prophet who would speak to people without the [Holy] Spirit. They would hear (listen to) and obey what the prophet says. However, in the last of these days, God speaks to us in the person of a Son [Who is the exact image of God]¹.

Many undermine the Spirit within them and live like the people of old who would receive and obey whatever the prophet would tell them.

¹ Hebrews 1:1-2

EXPOSING THE SPIRIT OF DIVINATION

VOLUME 2

The women never hesitated, judged or questioned when prophet Balaam instructed them to entice and sleep with the Israelite men because, not only were they without the Spirit but they obeyed [and trusted] a prophet². The Israelite men [who were enticed] also failed to judge and discern the spirit the women were carrying.

The [spoken] prophecy made the confessant aware of the Spirit within them. Hence when it was said, she manifested. It was [actually] the Spirit from within her getting relief and responding because she [confessant] failed to respond to the prompting.

Read Romans 8:14

The Spirit of God qualifies us to be His children. For He [Spirit] searches all things for us, even the bottomless things of God³. Therefore, when one prophecy over your life, the Spirit [in you] must search for you because you are not in the old where you can be led astray.

If you undermine or fail to respond to the Holy Spirit, you claim to have Him [Holy Spirit]. For many realise the wrong (faults) when it is too late because they undermine the Spirit within them.

Learn from my example and search those who speak to you. Being prophesied to while the world was watching, I had to refuse [when I was told to renounce the Power of God]. Jesus Christ taught us to identify a person by their fruits⁴. Meaning that the Spirit you carry must testify that you are a child of God because He [Spirit] does not make you a slave.

Because I [Prof. Lesego Daniel] regard myself as one who lives in the New Testament, I cannot disregard and undermine the [Holy] Spirit (Power) in me. Therefore, I cannot just be obedient to anything or apologise to man for the way God operates in me. Media is not my god.

REVIVAL FOR THE BODY OF CHRIST

There have been revivals in the past held by some Pentecostals of that time who regarded themselves as the only [true] churches. However, they ended up being Traditional Denominational Structures. Therefore, you might regard yourself as the Pentecostal of our time, but what will become of you in the future?

Never privatise (individualise) the revival that God started, but be part of the continuation thereof, otherwise you will mislead people. Never think you are the best

I do not want to individualise anything that God reveals to me, but I always want to share it with my sons and daughters because God [personally] told me that He has sent me to pave a way for many who are coming.

VOLUME 2

Remember the main purpose is to make disciples of many nations, and for all of us to be living stones as He [Christ] is the Chief Cornerstone⁵ which we cannot build without. Therefore, wash one another's feet, for that is how the world will know that we belong to Christ.

Apostle Paul would not compromise whenever he heard the Word of God being adulterated, but he would address it promptly so to prevent souls from being lost to the devil.

DO AWAY WITH FEAR

There are many who were called by wrong titles. Being called a prophet whilst being an evangelist. Learn to identify and differentiate the Old Testament prophecy from that of the New Testament then nothing will deceive you.

If this message was given to the Moabite women, they would not have slept with the Israelite men, but instead repented, but woe to you who hears this message and still sleep with them. You undermine the Spirit Who lives in you by failing to discern.

Read Romans 8:15

Fear causes you to welcome anything, [even] the wrong. You might say you are born again, yet living in fear which causes you to be a slave.

We have to see the reality of the Father from above. If you see the son not doing what the father is doing, run away. The problem is that people realise the wrong in others, but fail to act because they are afraid of what others will say.

Do not let your life be modelled by people's prophecy, but let it be by the Word of God. Allow God to do as He pleases in you [according to His satisfaction and delight]⁶. For you have the Spirit Who does not put you in bondage but He testifies on your behalf.

IGNORANCE

Ignorance makes the simple gospel difficult and it will cost you your health, money and spiritual life. If I speak to you, your spirit [from within you] must testify.

Let your 'Yes' be a 'Yes' and 'No' be a 'No'⁷. Many people expect to see the devil coming as the tempter, but anybody can come as the devil's representative⁸.

⁷ James 5:12

⁸ Revelation 13

EXPOSING THE SPIRIT OF DIVINATION

VOLUME 2

There is so much judgement in speaking ineffective, non-operative word. As one in the New Testament, discern where the fruit [given you] comes from.

FOREIGN DOCTRINE

Another confession that was read regarding a foreign doctrine given by one of the rebellious sons who taught his congregation that heaven and hell were not real, having sexual relations before marriage is not a sin, fearing God is wrong [because you cannot fear what you love], Jesus did not die for us but died because of us, Mary and Joseph had intercourse for Jesus to be born and that the God we read of in the bible is not the real one, but there is another.

The confessant went on to explain how the rebellious son told his disciples that they would hold live Zoom services, even after our father [Prof. Lesego Daniel] told him [on Zoom during the Harvest Mentality Session] not to do that.

However, the live services never manifested as the rebellious son mentioned a service whereby our father [Prof. Lesego Daniel] declared that sons will write books never written before, and as a result something entered him, therefore, he will be one of those who will write those books, and should our father [Prof. Lesego Daniel] ever reject him, he will post that particular teaching [on social media] where the declaration was made. This will prove that he received it [the anointing to write unwritten books] from Papa Lesego Daniel.

The rebellious son further stated that, unlike other sons, he did not start his salvation with our father, [Prof. Lesego Daniel] but our father found him flying – all that he needed was a boost to fly higher.

If a leader can teach such, how many people fell into sin by listening to and following such teachings? One must have said “yes” to temptation to preach such. Balaam can quote the bible and he uses the Word of God for his own advantage. Remember when the devil tempted Jesus in the wilderness, he quoted the bible. Do not expect the devil to come having horns as a tempter, but even a man with a title of a prophet, evangelist, pastor, teacher or apostle can come carrying a contrary spirit.

Foreign doctrine goes as far as undermining others or thinking that you are better than others. Some people [ignorantly] preach such messages because they heard it from somewhere. It is God who gives spiritual shepherds, and the moment one sees themselves better than their shepherd, the Jezebelic spirit has taken over.

STOMACH CENTRE MINISTRIES

I [Lesego Daniel] have not spoken to any son to open their church. If anyone tells you that they have spoken to me privately and I gave them permission to do so, know that you are speaking to an appetite. All that they are interested in is their stomach.

They love money so much that they do not rebuke the 'high' tithers. Even when they see them doing wrong, they would rather be like Eli who tolerates his sons committing evil in the house of God.

WHO IS THE GREATEST?

Among the people I train, I do not allow competition. All the sons must be the same before me. I am one of you and Christ is our leader. I am only training and raising you in order that you can be like me so that [together] we can be like Him. One should never speak badly about their brothers or sisters. Instead, they should comment or bless. I believe in what Jesus Christ s instructed – cooperate anointing.

Even if I am not there, the disciples would do the same things I would do for we are working together.

The harvest is plenty and needs people who will [together] carry on in being part of the revival that Jesus released.

ADMINISTRATION IN THE SPIRIT

We do not do or have affiliation forms for sons, but all is registered in the book of Life. We leave administration for God.

If I wanted to keep sons, I would cover the wrong. However, we have to consider God's sheep and aim to rescue them from the fowler's snare.

NO MORE BALAAMIC SEED

When God ordered for all the Israelite men who had sexual relations with the Moabite women to be killed together with their sons⁹, He wanted to make certain that no Balaamic lineage should remain.

⁹ Numbers 25

EXPOSING THE SPIRIT OF DIVINATION

VOLUME 2

Because every first born son is the strength of his father¹⁰, God wanted to make sure that no seed should remain, except the virgin girls born from that lineage.

I still repeat, Balaam did not end up in the days of the bible, but even today his spirit lives, however he is dying. Everyone who possesses the Balaamic spirit or ate his seed is going.

Let us be one and continue with the revival that God started. Never individualise or personalise anything that God gives, but allow Him to be the Master thereof.

God loves you.
