HARVEST MENTALITY SESSION – May 2022

DWELLING IN HIS PRESENCE & REMAINING IN HIS GLORY

What a wonderful and gracious God we serve. Thank you for believing in this oneness as God leads and gives us more understanding. As He said in His Word, “He opened their minds for understanding”.¹

Being led without understanding is very difficult. Therefore, we thank God that it is [only] by His grace that He leads us in His presence. As He said to Moses, “My presence will go before you”², I believe He is leading us in a unique way as we have noticed and seen His faithfulness.

I continue with excitement in Him whenever He brings something that I never thought I would know or understand. He remains shocking, hence the multitudes [in amazement] say: “Hallelujah”.³

I believe God is blessing us with His marvellous grace and Word from above - that which is unique.

I believe, as His body (temple), this calls us to doing unique and wonderful things in His presence. Being sanctified by His Truth, for His Word is Truth.

I bless your ministries and I am excited about seeing His impossible and tangible glory.

There is a difference in seeing a sign performed on people as we minister to or pray for them and seeing a sign or wonders in the spirit - a sign where God [personally] reveals something to keep you going and moving. All this is by and through grace.

At all times, we [all] ought to be in His presence where the fullness of joy is. Where He allows us to [clearly] hear Him as He leads us.

God loves you.

THE POWER OF PERFECT COMMUNICATION WITH THE HOLY SPIRIT

We can never follow Him without being led into His wonderful presence.

Read Luke 4:1 [AMP]

Wherever Jesus went, He would be full of the power of the Holy Spirit - meaning He was in full communication with the Holy Spirit.

The Apostle Paul was in perfect communication with the Holy Spirit when he changed direction to go to Macedonia instead of Asia, after a man appeared to him in a vision.⁴ And because of that, we see victory in delivering the fortune-teller woman, whom nobody could realise as she was proclaiming that Apostle Paul and his entourage were servants of God. After Apostle Paul became agitated and delivered her, victory was seen when both he and Silas were thrown in jail and the prison doors opened due to their perfect worship.

Wherever you go full of the power of the Holy Spirit and in perfect communication with Him, you will confront people and spirits without delay or hindrance. Nothing will overpower you.

When one is not led by the Holy Spirit, not having perfect communication with Him, no matter how they can heal the sick, cast out demons or prophesy, they appear as evildoers before our Lord Jesus Christ⁵ because they are not on par with the Holy Spirit.

DISTORTION: A BARRIER TO PERFECT COMMUNICATION WITH THE HOLY SPIRIT

If one person gets a message then passes it on to the next, who then passes it on to another, it is no longer the original message – there is distortion (a barrier). The message is no longer from the source.

If there is no perfect communication with the Holy Spirit, the message is not from Christ and being a doer of such a word (message) makes one an evildoer. In receiving such a [distorted] message, you are receiving contamination instead of pure spiritual milk. Therefore, we ought to be doers of the Word that comes directly from the mouth of God⁶, because man cannot live on bread alone, but by every word that comes from the mouth of God.⁷

Read Luke 4:14-15 [AMP]

Jesus would teach [exactly] what is from the mouth of God and not a distorted (contaminated) message. When news spread about you [because you came with the power of and in perfect communication with

the Holy Spirit], it spreads about the Holy Spirit because as they see you, they see the Father, as you and the Father are One.⁸

FIRST YOU ARE ANOINTED TO PREACH THE GOOD NEWS

Read Luke 4:17-19 [AMP]

Many are not anointed to preach, but they are anointed to heal the sick, cast our demons and prophesy. The first (primary) is anointment to preach the gospel and such [anointing] does not depend on you having a certain title [Apostle, Prophet, Evangelist, Teacher or Pastor]. All of us must be anointed to preach.

Be anointed to be in perfect communication with and full of the power of the Holy Spirit wherever you go.

If you are anointed to preach, you give the message from the Source: to deliver and to give life. If one is not in perfect communication with the Holy Spirit, they will heal the sick, prophesy and cast out demons without giving life.⁹

Jesus Christ has come to give us life.¹⁰ It is only if you believe that you will receive life, otherwise you will not. As you believe, you will be building yourself up in your most holy faith and praying in the power of the Holy Spirit¹¹ - meaning praying in perfect communication with the Holy Spirit, then you come joyfully into the presence of God.

So many misunderstand or blow everything out of context by claiming that they are in the presence. Understand that when you are full of the power of the Holy Spirit, you are always in His (the presence of God).

WHAT DOES IT MEAN TO BE IN THE PRESENCE OF GOD?

Being in the presence of God means that you come into blameless worship because you get to see and hear in the Father's presence. That is when you are no longer called a slave but a friend because you are caused to see and hear everything in the Father's presence.¹² Therefore, joyfully coming into His presence, is coming into blameless worship.

When they said to Jesus, “we healed the sick, we cast out demons and prophesied in Your Name”, there was blame (error) and they were found at fault. This is what leaves people in the state where God is not with them. When Jesus called them evildoers, He meant that they were spiritually useless; you do not want to find yourself serving God and being spiritually useless.

So being full of the power of the Holy Spirit, you depend on praying and building yourself up in your most holy faith, then God removes all the blame.

THE SPIRITUALLY USELESS CANNOT SNATCH OTHERS OUT OF THE FIRE

When a person is not in perfect communication with the Holy Spirit or does things without being full of the Power of the Holy Spirit, they become spiritually useless [lukewarm]. Being lukewarm is to be neither cold nor hot. Such [spiritually dead people] can still heal the sick, cast out demons and prophesy. They preach to people who cannot come out of sin [the dead burying the dead]. They do not and cannot deliver a message from God.

Read Jude: 20-23 [AMP]

Yes, the blood of our Lord Jesus Christ washes away our sins, but for your mind to change, you must repent by changing the way you think. Hence, for many people, this is practical; they can be washed by the blood of our Lord Jesus Christ, but if one lacks perfect communication with the Holy Spirit, they cannot be the doer of the Word and end up committing what is wrong (evil).

You cannot snatch people out of sin or fire without perfect communication with the Holy Spirit. God is revealing to us the benefit of walking being full of the Holy Spirit. Being ushered into the presence of God is to come into blameless worship or to serve His people without blame, because you were [perfectly] directed to them being full of the Holy Spirit.

As you snatch them out of the fire, be careful, to hate [the sin] they are committing, because you cannot deliver people or snatch them out of sin while you love or are associated with the sin that they are committing or what caused them to be oppressed (possessed) by evil.

THE BENEFITS OF GOING IN THE FULLNESS OF THE POWER OF THE HOLY SPIRIT

Read Jude 24 [AMP]

Able = God coming with His power and willingness to keep you from falling.

The benefits of going being full of the power of the Holy Spirit is that God [through His power and willingness] keeps you from stumbling and falling. Without choice, He controls you. You are prevented from being an evildoer or making wrong decisions.

This is God's inherent strength and action. No one can remain in the presence of God blameable. Coming into the presence of God means you have entered into a blameless atmosphere.

So, building yourself up in your most holy faith and praying in the power of the Holy Spirit, causes you to rise like an edifice. And when you reach the level of snatching people out of the fire, hating the sin they commit, God is able to keep you from stumbling and falling, presenting you unblemished. Then everything you do will be a form of worship.

COMPLAINING, THE ERROR OF ELIJAH

Apostle Paul reveals that Elijah was in error because in his prayer and the answer he gave, he complained. When he [Elijah] told God that he was the only one left as all the prophets were killed¹³, he was complaining to God. When Jezebel threatened him, Elijah became depressed and ran away. From then onwards, everything he said was a complaint. Even after God told him to go back, Elijah did not adhere to that instruction.¹⁴ So, God directed him to anoint Elisha and that was the end of Elijah's ministry [all because of complaining, depression and running away from Jezebel]. It was impossible to bring perfect worship. Elijah's ways were blameable.

You may teach or develop people, but still find them having filth upon them, because of disregarding the perfect communication with the Holy Spirit or building themselves in their most holy faith.

People can be blood washed [by the blood of our Lord Jesus Christ], but if they do not amend their ways or change their way of thinking, they remain dirty [sinful and evil].

YOU CAN BE WASHED BY THE BLOOD BUT STILL REMAIN SINFUL OR EVIL

When Peter and the other disciples acted wrongly in Antioch¹⁵, they had already received the Holy Spirit in Jerusalem¹⁶ and were washed by the blood of our Lord Jesus Christ. But Apostle Paul told them that they stood condemned because they had put the grace of God aside. They had not yet entered the presence of God; their worship was blameable.

Apostle Paul was snatching them out of the fire, hating the sin they were committing.

Read Zechariah 3: 1-3 [AMP]

Joshua the High Priest was snatched out of the fire and was ushered into blameless worship.

GOD KEEPS THE FIRE FROM BURNING YOU

As ministers of the gospel, we preach to people to bring them out of sin. You show mercy on others by snatching them out of the fire, but while snatching them out, unless you hate the sin they commit, the same fire will burn you. However, as you pray in the Spirit, you are in the process of building yourself up and reaching the level where God is able to keep you from falling and stumbling.

We honour the leaders God gave us; however, we adhere to the instructions God gives us. Daniel was kept from being eaten by the lions.¹⁷ Shadrach, Meshach and Abednego, though they were thrown in the burning furnace, they were not burned.¹⁸

THE RELEASE OF THE ANGELS THAT REMOVE FILTHY GARMENTS

Read Zechariah 3: 1 - 4 [AMP]

The guiding angel has perfect communication with the Holy Spirit, therefore he guides you to perform through perfect communication with the Holy Spirit.

Joshua [the high priest] represents the disobedient and sinful Israel. As a minister of the gospel, you have to preach to people in order to snatch them out of sin. They have to be blood washed, given the Word, in

order to change the way they think. The message of Christ has to be delivered to them without distortion or barrier.

Nauseatingly vile garments [from the word nuisance]: as a minister of God, snatch them out of the fire and hate the sin they commit. *Selah [pause for contemplation].

Joshua was standing before the Angel of the Lord and He [the Angel of the Lord] spoke to those who stood before Joshua, meaning the special angels and told them to remove the filthy clothes from Joshua. *Selah

Because you hate what they do, it does not [necessarily] mean you are the one to remove the filthy clothes. There will be those who appear to remove them, as a result of you hating what they do - there are certain angels who deal with touching (removing) what you hate (do not associate with).

WHY DO THE ANGELS THAT REMOVE FILTHY GARMENTS COME?

I pray that God reveal the revelation of those angels who remove filthy clothes and everything that has to do with filth. When He who is able to keep you from falling and stumbling takes over, you will not fall, you will not stumble, but things that do not have to associate with you, shall be removed [including people] – everything that hinders development has to be removed.

These angels specialise according to maturity. This is the mystery of removing what is not wanted. One is snatched out of the fire [blood washed], yet because of the mind that has not changed, no one comes to remove filthy clothes.¹⁹

One is snatched out of the fire [blood washed], and because the mind has changed, there are those who appear [special angels] to remove filthy clothes.²⁰

That is why it is difficult to be with someone [or people] who does [do] not change. You just see what you do not want to associate with, though they have been snatched out of the fire.

It is not just about removing filthy clothes, but people as well – being taken away from you for the simple reason: “your thoughts are not their thoughts, your ways are not their ways”.²¹

The Word we preach is the graphic part of the removal of filthy garments – as Jesus said, “I sanctify them by the truth, Your Word is truth”.²²

God will beautify you with rich robes of forgiveness. In filthy clothes, there is no forgiveness.

²² John 17:17

THE FULLNESS OF THE POWER OF THE HOLY SPIRIT

HARVEST MENTALITY SESSION – May 2022

When you change your way of thinking after you have been blood washed, [special] angels are ready to remove filthy garments. When you are full of the power of and are in perfect communication with the Holy Spirit, and you hate sin to the point that you do not want to touch it, there are always special angels assigned to touch or remove it on your behalf.

Because of not amending their ways and not changing their minds, many drink the blood of our Lord Jesus Christ and eat His flesh in the wrong manner. This occurs as there is condemnation because of the mind that has not changed due to carrying the wrong gospel, or not being full of the power of the Holy Spirit.

IT IS IMPOSSIBLE TO RESTORE THOSE WHO HAVE TASTED THE HEAVENLY GIFT

In order to grow, mature and develop, you must build yourself up in your most holy faith and pray in the power of the Holy Spirit. God says that those who are spiritually useless are impossible to restore because they have tasted the heavenly gift.²³

When the other disciples left Him [Jesus], even though the twelve (12) stayed behind, Jesus called one of them the devil.²⁴ Meaning that it was impossible for him to be restored [no angel could remove his filthy clothes]. If you are put on the same level as the devil, no rebuke can ever cleanse or correct you.

Therefore, focus on yourself as a servant of God as you are anointed to preach the gospel, to set the captives free. You do not want to be with, touch or smell what you hate. You do not even want to put it in your mouth because it is lukewarm [spiritually useless]. You would rather spit it out of your mouth²⁵.

It is time to move into the level where you preach the gospel, and you see the revelations of angels [who specialise in removing filthy clothes] manifesting.

The true gospel makes you peculiar to experience special moments of the appearance of angels who touch and remove filth on your behalf. Rebuke [pruning and cleansing], removes that which is not wanted.

If you preach the gospel without being full of the power of the Holy Spirit, you will associate with [touch and commune with] the sin they commit. However, when you are led into blameless worship, [special] angels will remove filthy clothes on your behalf.

It is thus important to meditate upon the truth that God reveals to us - understanding the revelation of knowing who really repented and who did not. Not focusing on the person's claims that they have

²⁴ John 6: 67-71

²⁵ Revelation 3:16

THE FULLNESS OF THE POWER OF THE HOLY SPIRIT

repented but focusing on those who appear to remove filthy clothes [garments] - for it is only when they appear that you will certainly know that repentance has truly come.

When the angels do not appear, you know that the person was only snatched out of the fire, but the mind has not changed, and there is no repentance. The angels who appeared before Joshua would not appear before Satan to remove sin, for there is nothing to be removed from Satan as you cannot preach repentance to the devil.

DO NOT BE HASTY IN LAYING HANDS

Because of being quick in the laying on of hands, you get affected when you touch sin because you share in one another's sins²⁶. That means you love and associate with the sin they commit.

Where are the special angels to remove filthy clothes from those you minister to?

Also, you should not be quick in reinstating an expelled offender²⁷ because you will share in their sins if they still love what they were expelled for. When one hates sin, the angel of the Lord snatches them out of the fire because in the presence of God, they are kept from stumbling and falling [into sin].

Read Amos 4: 11 [AMP]

That is how you were rescued and snatched out of the fire, but because of failure to repent, no angel removes filthy clothes.

Some can be preached unto, but they will not repent, and God can cause you to see them [unrepentant hearts].

Where there is no appearance of the angels who stood before Joshua, there is no repentance. You may train and develop people, but if there is no appearance of those angels, there is no amendment of their hearts because they love what they find on the people they teach [minister to] - they have a relationship with that kind of sin.

You can see the love of money, love for women and men and the love of the world in those you train. You are able to identify unrepentant minds and hearts.

A SIGN DOES NOT GET AFFECTED BY SIN

White apparel will not be soiled in heaven because nothing can soil or stain your clothes in heaven²⁸. White [pure and holy] apparel is given when one receives and accepts the Word given and repents [by changing the way they think].

This is discernment or recognition of an unrepentant heart. When you get to that level, know that you are a sign. For a sign does not get affected by sin or the surroundings because he remains holy as God is holy. Such a person knows who a [true] son, daughter, man or woman of God is.

AN UNREPENTANT HEART STOPS THE PROCESS OF GROWTH

Read Zechariah 3: 6-10 [AMP]

Many do not grow because of their unrepentant hearts and minds.

When the archangel Michael fought with the devil over Moses' body, he [Michael] said to the devil, "The Lord rebuke you".²⁹ Remember that to rebuke is to correct, cleanse [wash]. There was nobody to remove filthy garments, however, we had the end result when the angel appeared before Joshua [who was accused by the devil] to remove his filthy clothes because he had repented.³⁰

This is judgement. You cannot be with or touch what you hate because you are interested in maturity, growth and development.

When Jesus sent His disciples out, He instructed them to go into every house that welcomes them and give them their peace: Eat what they eat and drink what they drink. But as for those who did not welcome them, they were to shake the dust off their feet, keep their peace and go to those who would welcome them.³¹

Where they do not welcome you, do not argue or reason with them - never argue with the devil.³²

Where there are arguments, there is dust, moving up from your feet to your entire body. Therefore, the archangel Michael knew to leave the devil for the Lord to deal with.

So, when you go into a house and an argument arises about what you believe in, just shake the dust off your feet, keep your peace and leave that house.

THE DIVISION OF THE LORD

Do not call it division when the angels appear [in your ministry] to remove all those who do not want to repent. Continue in developing yourself.

When you are at that level, many will be removed because they do not have to be with you. Do not beg them to come back. Remember that Christ did not come for peace³³. This is the division caused and brought about by Christ. It is a healthy division.

When such maturity operates in your ministry, the division is of the Lord. Dust must not be found in His house - the house of prayer. His house must remain blameless.

When you know that kind of maturity, an unrepentant heart cannot stand the presence of God. For when God takes over, no evil will remain without being exposed. No clothing will remain dirty without being revealed [of its dirt].

BECOME A SIGN

Read Ezekiel 24:15-25 [AMP]

The death of Ezekiel's wife was not about Ezekiel, but it was about the Israelites. Hence God told Ezekiel not to mourn or behave like one who had lost a wife. God explained to Ezekiel that what was happening to him was signifying what was happening with the Israelites: Ezekiel was a sign³⁴.

Those who lack discernment would think Ezekiel was rejected by God. What they did not know was that what was happening to him was happening with them. Ezekiel was joyful and was not affected because he knew it was all about the Israelites.

Ezekiel's wife signified the Church [the part of the people who did not want to repent]. Once you reach that level of maturity, you become a sign and things that happen to you are [actually happening] for other people.

You are not going to mourn - when things happen to you, take it as a sign. The immature cry due to lack of understanding of the division caused or brought about by Jesus Christ. God allowed some separations to happen in the spirit. When you become a sign, you are kept in the arm of the Lord [from stumbling and falling] by God's power and willingness.

People who are close to you or those you lead can do bad things, and with some, this is a way for them to be taken out. Yours is to shake the dust off your feet, avoid arguments and reasonings, and the God of peace will be with you [as you give your peace to those who deserve it].

³³ Matthew 10: 34

³⁴ Isaiah 8 v 18

THE FULLNESS OF THE POWER OF THE HOLY SPIRIT

HARVEST MENTALITY SESSION – May 2022

Understand that we are not serving God to be sharers of one another's sins. God knows how to remove that desire [of your eyes] and when He does, do not mourn because you are a sign.

Every moment of your life must become a teaching for others, because God kept you for revealing His glory: that is when you enter into blameless worship.

However, when you are lukewarm, you are neither hot nor cold³⁵. If you were one of them [either hot or cold], there would be a chance for growth and development. Lukewarmness implies that you are not alive, you are unproductive and not even beneficial in one way or another.

You cannot serve God focusing on material possessions because when you lack [material possessions], you will reject God, for your main focus is money.

It is time to see the glory of God and to understand blameless worship.

Servants of God, be at a level where there are strange people appearing before you. A level where both you and they snatch people out of the fire and bring them to the relevant maturity which Jesus Christ expects from you.

BRING PEOPLE TO MATURITY, NOT THE LOVE OF MONEY

Apostle Paul deposited people to God³⁶ without filthy clothing. It is time to become a sign that gives life to everybody. As God revealed this to me, He showed me deep into people's hearts; those who serve God with unchanged (unrepentant) hearts. They teach people rubbish and people grasp and welcome it. Teaching people and bragging about material possessions.

Apostle Paul says that he regards everything he has as mere rubbish.³⁷ Because his only determined purpose is to know Christ and the power of His resurrection.³⁸ Know Him and the happenings in the spirit. As you preach being full of the power of the Holy Spirit, are you able to snatch them out of the fire or sin without being affected?

MY PRAYER FOR YOU

I pray for this level to come upon every one of you. I pray that as you develop in building yourself up in your most holy faith, praying in the power of the Holy Spirit, the mercy that you have been waiting for comes upon your life. The mercy of God's power and willingness upon your life.

As you are going to preach, speaking to everyone, do not rob people of their growth. May God, who is able, establish them through the gospel that you preach.

I pray for the zeal of the Lord to consume you and remove whatever is not wanted as you preach because you are anointed to preach the gospel and remove that which is not wanted. You will open their minds as you preach to cause them to search themselves and bring repentance in their hearts and minds.

I believe we are all going to flow, and as we preach, every angel taking their position because there is [now] perfect communication with the Holy Spirit.

God is with you, and with Him all things are possible.

May the Lord God of glory bless you.

I thank Him for opening your minds for understanding.
